To: 340B Covered Entity

From: Kevin Gray, Senior Vice President, Strategic Operations, United Therapeutics Corporation

Date: May 11, 2021

Subject: Update to United Therapeutics Corporation 340B Contract Pharmacy Policy Effective November 20, 2020

Dear 340B Covered Entity:

We are writing to inform you of an update to United Therapeutics Corporation's 340B contract pharmacy policy for orders placed on or after May 13, 2021, which has now been changed to September 1, 2021. The policy will be implemented in two steps.

Orders placed on or after November 20, 2020:

- United Therapeutics Corporation will accept 340B contract pharmacy orders placed on or after November 20, 2020 only if the contract pharmacy was utilized by the covered entity for a valid 340B purchase of a United Therapeutics Corporation covered outpatient drug during the first three full quarters of the 2020 calendar year (i.e., January 1 through September 30, 2020).
- United Therapeutics Corporation will deny any 340B contract pharmacy orders where the contract pharmacy does not meet this requirement.
- To identify your contract pharmacies that are eligible under this policy, please visit UTAssist.com, select "Our Services" followed by "Product Distribution"
- If a covered entity does not have its own on-site pharmacy, United Therapeutics Corporation will provide the covered entity the opportunity to designate a single contract pharmacy for which United Therapeutics Corporation will accept 340B orders. To apply for this exception, please contact United Therapeutics Corporation at 340b@unither.com.

Orders placed on or after September 1, 2021 (previously May 13, 2021):

- United Therapeutics Corporation will accept 340B contract pharmacy orders placed on or after September 1, 2021 only if the covered entity also has agreed to provide to United Therapeutics Corporation, and is providing on an ongoing basis, claims data associated with all 340B contract pharmacy orders of United Therapeutics Corporation's covered outpatient drugs placed after September 1, 2021 via a platform hosted by a third party with appropriate security and patient privacy safeguards.
- United Therapeutics provided additional information to you with respect to the platform and this process in a letter dated April 12, 2021.

This policy will apply to all of United Therapeutics Corporation's covered outpatient drugs, except for ADCIRCA (tadalafil). United Therapeutics Corporation may revise this policy at its sole discretion at any time and without prior notice.

For questions regarding this policy, please contact United Therapeutics Corporation at 340b@unither.com.
