

Grow Your Business and Enhance Brand Loyalty Through 340B Report

If your company or organization wants to grow its 340B business, there is no better way than to become a 340B Report sponsor. Sponsorship is a great and cost-effective way to connect to key decision-makers at 340B hospitals, health systems, community health centers and other HRSA grantees. Without even leaving your home!

340B Report is the indispensable source of independent, comprehensive news coverage and analysis of the 340B program. Led by leaders with a combined six decades of 340B and journalism experience, the 340B community counts on us to stay on top of the 340B program.

340B Report has tremendous reach with thousands of readers from the entire 340B covered entity spectrum. With loyal subscribers from the nation's largest academic medical centers to community health centers, hemophilia treatment centers, Ryan White and STI clinics, 340B Report is the go-to place to increase visibility and enhance brand recognition.

At a time when it is more important than ever to invest your marketing dollars wisely, you can count on 340B Report to meet and exceed your goals.

Click [here](#) to learn about our enhanced 2021 sponsorship benefits. Contact us now so you can be one of our sponsors. We are excited to tell you more about our new site that will have a number of additional promotional features.
